Re: Litigation Counsel of America *Senior Fellow* status

Dear Tucker,

In keeping with the Litigation Counsel of America bylaws, it is my privilege to advise you that you have now achieved *Senior Fellow* status in the society. Fellowship in the society calls for this designation upon seven years of being a Fellow and is a permanent designation. We congratulate you for achieving this milestone and continue to be honored by your commitment to our mission and purpose. You may henceforth reflect in all biographical references to LCA membership that you are a *Senior Fellow*, if you select to do so, or continue to use the designation *Fellow*. Internet badges may be found at the LCA Fellows Only link.

We have placed a press release format for your local newspaper and/or bar publication on our website, also under the Fellows Only link. In the event such a release needs to come directly from the LCA, please advise Jessica Sullivan at [Jessica.Sullivan@litcounsel.org](mailto:Jessica.Sullivan@litcounsel.org), along with publication contact information.

The Litigation Counsel of America's **2019 Spring Conference & Celebration of Fellows** will be held on May 1-3, at the **Four Seasons Resort The Biltmore in Santa Barbara, California**. We look forward to having you in attendance for the *Senior Fellow* Recognition Ceremony and Toast during the Celebration of Fellows Gala.

Thank you for continuing to be such an important part of the LCA. We take great pride in our roster of elite trial lawyers, which is more diverse and rivals in prestige that of any other preeminent society.

I look very forward to seeing you in Santa Barbara in May.

Yours very truly,

G. Steven Henry  
Executive Director and General Counsel

GSH/dh
